COLOUR RANGE

Water and Power saver.

- The Technologically advanced Aqua Breeze is a perfect blend of style, structure and performance.
- Pre wetting cycle ensures cool fresh air first time, every time.
- Self wash base features, super quiet fan, aerodynamically designed venturi and algae resistant black water tubes.
- Specifically designed for easy service and maintenance.
- Cabinet constructed from durable UV resistant Luran S plastic.
- Automatic water dump cycle ensures unit remains dry when not in use.
- User Friendly and ergonomically designed digital display wall controller.

Australian made with a 10 year structural warranty

We offer a very generous 10 year pro rate warranty on the structure of the unit, and a 3 year full parts and labour warranty (in Melbourne metropolitan areas only) on all other components under normal operating conditions.

Due to ongoing R&D, technical specifications, product shape, and colour can change any time without notice.
